

NATIONAL BOARD PRESENTS:

TAU SIGMA PHI

ANNUAL REPORT 2022-2023

A MESSAGE FROM THE PRESIDENTS

As the year comes to an end, we reflect on the accomplishments and challenges we faced leading up to this point. We are incredibly proud of our National Board and our Chapter's executives on how they've navigated the year and contributed to the growth and success of our organization.

Like many of you, We consider Tau Sigma Phi my home away from home and many of the amazing members we have had the opportunity to meet over the years have become some of the most important people in our lives. As we celebrate our 15th year as an sisterhood, we continue to adapt and work tirelessly towards being the best versions of ourselves. In addition to this, we have been fortunate enough to welcome 42 amazing new members across our 4 chapters and established a new colony of Tau Sigma Phi. These talented, compassionate, and committed members will undoubtedly make us all proud in their accomplishments.

We recognize that like any year, this year came with challenges and setbacks that undoubtedly made it tiring. We thank you for your commitment and dedication to sticking with our sisterhood through the good times and the bad.

Despite the setbacks we may face, we feel confident in the advancement that we have seen across our chapters. We absolutely cannot wait to be witness to the amazing work of our incoming and future Boards and we wish them much success.

All our love,
Chanelle Church & Megan Dunscombe

THE FOUNDATIONS OF TAU SIGMA PHI:

Sisterhood ...is the reason we've all been brought together, it is the underlying reason for how we've become so successful. Tau Sigma Phi is proud to foster a loving & positive environment for all members. We have the strongest sisterhood on every campus we belong to and know that our lives can only be enhanced by building each other up.

Scholarship ... Scholastic achievement is of great importance to Tau Sigma Phi, each member is required to maintain a specific GPA in order to be active, mentors or hold executive positions. We require our members to complete monthly study hours, participate in workshops to better their work ethic, and connect Actives to Alumni who completed the same degrees/have similar career goals. Our members set scholastic goals for themselves each semester & we do our best to give them the opportunities to be able to achieve them.

Philanthropy ... specifically anything pertaining to breast cancer research, is the passion of Tau Sigma Phi. This is our specific cause because all 5 of our founding mothers were affected by this horrible disease in one way or another. Our members participate in various campaigns & events that raise not only money, but awareness as well. Each chapter also participates in various other philanthropies depending on what the current actives are passionate about.

A Year in Review: Notable Highlights & Achievements

Throughout the past year, we are pleased to announce that we have initiated **42 new members** into our sisterhood. Welcome home!

Amongst Tau Sigma Phi's 3 main Fundraising Events: CIBC Run For The Cure, Relay For Life and Pretty In Pink, all chapters collectively raised over **\$35,880.05** for the 2022-2023 school year while partaking in community activities..

From the 2022-2023 Academic year, **44 members graduated** and became Alumna members of Tau Sigma Phi. Congratulations and best of luck!

While maintaining safe measures throughout the year, we were able to come together and return to in-person activities within our chapter. We appreciate your patience, support and adaptability as we navigated through these changes.

Tau Sigma Phi Award Winners

Congratulations to our 2022-2023 award winners! We appreciate your dedication to our pillars.

Dafoe Philanthropy Award

This award goes to one outstanding chapter a year who has not only surpassed other chapters in contributing to the fight against breast cancer, but has also participated in numerous community service and volunteer activities throughout the year.

Recipient: *Delta Chapter*

Pink Sapphire Chapter

This award is presented to a chapter to recognize a chapter's achievements in all pillars of the sorority, excellent active participation, and strong Alumnae relations.

Recipient: *Alpha Chapter*

Academic Excellence Award

This award was created to recognize the chapter that maintains the highest GPA. It is based on chapters' cumulative GPA.

Recipient: *Beta Chapter*

Tau Sigma Phi Award Winners

Sigma Sisterhood Award

This award goes to the chapter that demonstrates and promotes sisterhood, including making an effort to attend events of other chapters, promoting sisterhood through their actions, and being positive role models of sisterhood – innovative sisterhood initiatives/strengthening bonds.

Recipient: *Epsilon Chapter*

Sapphire Sister Scholarship

Klayna Veloso - Epsilon Chapter

This scholarship is awarded to a member who demonstrates sincere dedication to their academics, overall compassion and has a financial need. This member also demonstrates dedication to their fellow members and contributes significantly during their time as an active.

Klayna is a newer sister who already has had a huge impact by our sisterhood. She strives to show her dedication for her sisters in all aspects of her life by taking into consideration how she represent the organization in all of her interactions. Klayna is very independent, dedicated, caring and kind. She shows a great deal of poise, support, enthusiasm and gratitude while fully embodying the meaning of sisterhood.
